HEY THERE!

My name is Annie Amaya and I am so excited to begin another great year in Head Start! I am a third year teacher and look forward to many years to come. I recently married my best friend, Adam Amaya.

Together we have two wonderful and playful puppies, Layla and Bonnie! In my spare time, I love to be outside, travel, and spend time with family.

If you would like to insert your picture in the circle above, I have uploaded a circle shape. Follow the directions so your picture is not squished.

1. Click on the circle shape
2. Click format at the top, shape fill, then picture.
3. After you upload your picture go back to shape fill, texture, then click "tile picture as texture."
